Cosco Capital, Inc. Raises Php5.0 billion in Notes Issuance

Cosco Capital, Inc. ("Cosco" or the "Company") signed a Php5.0 billion notes facility agreement with a syndicate of institutional lenders composed of banks and insurance companies. The facility, which consists of seven-year and ten-year notes, will be used to fund strategic acquisitions and for general corporate purposes. First Metro Investment Corporation, the investment banking arm of the Metrobank Group, acted as Sole Arranger and Bookrunner for this issue.

The issue is the Company's maiden offering in the debt capital markets following the completion of the consolidation of the Lucio Co Group's assets under Cosco in 2013. Cosco President Leonardo Dayao was elated by the market's strong reception of the transaction, which was 2.5x oversubscribed. "This Notes issuance is indeed a clear confirmation of the financial community's trust and confidence in Cosco. We congratulate First Metro for successfully arranging the deal." said Mr. Dayao.

Cosco is a publicly listed holding company with a consumer-focused portfolio of businesses that currently include retail, liquor distribution, real estate and oil storage and mining.

In the retail segment, Cosco owns 51% of Puregold, the number one hypermarket retailer in the Philippines. Through its various wholly-owned subsidiaries, Cosco is the dominant player in the premium wine and liquor market with exclusivity to recognized leading brands. In the real estate space, it has a comprehensive portfolio of highly complementary assets supporting its retail business.
