The Philippine Competition Commission has resolved to take no further action with respect to the proposed acquisition of Liquigaz Philippines Corporation by Fernwood Holdings, Inc.

In its decision dated January 17, 2019, the Commission stated, “the proposed acquisition by Fernwood Holdings, Inc. of shares in Liquigaz Philippines Corporation will not likely result in substantial lessening of competition within the market for bulk and cylinder supply of liquified petroleum gas (LPG) in the Luzon geographic market because (1) there is neither increased ability nor incentive to engage in input foreclosure and customer foreclosure, post acquisition and (2) there exist sufficient competitive constraints on the parties from other market participants in the LPG industry, post acquisition.”
